(*f*) The successful tenderer shall see that no injury is caused to the State Forest or property situated therein in the course of his operations and in the event of any such occurring through his negligence or of his men, he shall be made liable as per departmental rules.

(*g*) Should the collection and carting of sandalwood to the Koti be found unsatisfactory, the District Forest Officer will immediately cancel the contract and shall make other arrangements for working out the contracted quantity at the risk of the contractor.

(*h*) For the breach of any or all of the above conditions, the contractor shall forfeit the earnest money referred to in para 7 *supra* and portion of moneys due to him for collection and carting of Sandalwood made, and not disbursed.

(*i*) Payment of charges shall be made as per procedure now in practice upon the sandalwood and ground-hidden roots received in the Koti and duly weighed out there and for which Koti receipt is produced.

ENGINEERING DEPARTMENT

BUILDINGS DIVISION, BANGALORE.

Notification, dated 6th August 1934.

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Buildings Division, Bangalore, up to 31st August 1934 (2 P.M.) for "Extension of Glass House in Lal-Bagh, Bangalore." An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of March 1935.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office at Bangalore between the hours of 11 A.M. to 5 P.M.

3. Tender should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompained by a statement in the form given below, showing the rates at which the different items specified will be executed :—

4. Each tender must be accompanied by a deposit of Rupees Six Hundred only (Rs. 600) in cash or Government Promissory Notes, as earnest money, and be superscribed "Tender for" "Extension of Glass House in Lal-Bagh, Bangalore" in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the Superintending Engineer, Mysore Circle, who does not bind himself to accept the lowest or any tender or to asign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond ; in default of which, his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the Notice Board in the Executive Eningeer's Office in due course. No enquiry regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. Rates once tendered will not be enhanced on any account.

10. Rates for non-tendered and non-estimated items shall be as per schedule rates of the Department or those fixed by the Executive Engineer after working out data with not more than 10 per cent for Contractor's profit.

11. In all matters not specifically provided for and in all matters of dispute about rates, quantities, measurements, quality of works, etc., and in all disputes of any kind, the decision of the Executive Engineer will be final and legally binding.

12. Quotations must be given in words as well as in figures and they must be in specific term of unit shown against each item of work. Any quotation quoted at so much percentage less or more than estimated rate will not be accepted.
